

Home and Garden in Asia Pacific

June 2024

Table of Contents

INTRODUCTION

Scope

Key findings

REGIONAL OVERVIEW

Gardening the smallest category, but the best performer in recent years

Asia Pacific the only region recording positive sales growth in 2023

Modest growth rates expected in the coming years for home and garden sales

China racks up massive review period losses in the home furnishings category

Gardening the best performer over the 2018-2023 period

Gardening makes gains over 2018-2023, but home furnishings sees major losses

Modest growth in China, but continued decline in Japanese sales

Sustainability trend being seen in India and Indonesia

Retail e-commerce continues gaining share in home and garden...

...but home products specialists remain the dominant retail distribution force

LEADING COMPANIES AND BRANDS

Home and garden is a fragmented market, particularly in China

Leading player IKEA has a share of just 1%

China the biggest market for the majority of the top 10 players in the region

Nippon Paint moves up the rankings in 2023

FORECAST PROJECTIONS

India will contribute more than half of the expected new sales over 2023-2028

Sustainable products expected to continue gaining favour

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.
